

FOG 1550 FT™

FOG 1550 FT™ ensures that only the purest, driest white fog is produced. The electronic fluid level sensor stops operation in low-fluid situations offering complete protection to the heavy-duty and silent running pump and the 100% pure aluminum cast heater. FOG 1550 FT™ is the perfect solution for productions needing intensive effects. FOG 1550 FT™ also caters to the portability needs of the touring and rental markets with custom flightcases available for this fogger.

Technical Specification
